

MURDER MYSTERY

EASY KEY LIME PIE

INGREDIENTS

You can make this early in the day and put it in the fridge.

FILLING

5 egg yolks beaten
1 300g can of sweetened condensed milk
½ cup of lime juice

BASE

250g malt biscuits
150g butter, melted

YOU WILL NEED

23cm Spring-form cake tin, plastic bag,
rolling pin or food processor

METHOD

Line the bottom of the tin and grease the
sides with baking spray.

Crush biscuits in a plastic bag with a rolling pin or blitz biscuits in your food processor until they resemble fine breadcrumbs.

Add melted butter and stir until combined.

Chill for 30 minutes until the base is firm.

Preheat oven to 190 degrees Celsius

Combine the egg yolks, sweetened condensed milk and lime juice, mix well and pour onto the biscuit base.

Bake in the pre heated oven for 15 mins, allow to cool and top with whipped cream and garnish with lime slices.
